Thank You to our Customers!

The new year has started and I always find myself reflecting during this time. Tim and I wanted to thank all of you for your continued support and business with our agency. We feel very blessed and know that we could not work for ourselves like we do without our customers. If there is ever a problem you have, or a question, please call our office and we will be happy to help you!

Sincerely,

Changes in Medicare for 2020

You might have received letters from your Medicare Supplement companies, letting you know the changes in Medicare amounts for 2020. CMS has control over the deductibles, copays, and premiums for Medicare each year. If you have a Medicare Supplement, it will adjust automatically to these new changes. You do not need to do anything at this time, they are required to inform their customers if anything changes concerning their coverage.
